Dedication

The contribution of this individual to our school is difficult to measure. Friendly to all, he has given brilliant instruction and earnest counseling. His patience is inexhaustible, his discipline challenging, and his personality magnetic.

We, the seniors of 1963, in appreciation for your help and consideration, dedicate this Tahisco to you, Mr. Clarence E. Bell.

**We'll revere your name forever,
praise you far and near.**

Foreword

As we progress through classes and social events at Tate, we find that life is filled with joys, a few disappointments, and many hopes for the future.

We, the 1963 Tahisco Staff, hope this book will be a delightful record of the memorable events of your 1962-63 school year at Tate High.

FACULTY

MESSAGE FROM THE PRINCIPAL:

In this space age of rockets and missiles our thoughts turn to broader and higher dimensions in the goals we set for our lives. Instead of earth-bound visions we dream of the far-flung vastness of our universe. Exploration of other planets is upon us; our imagination is focused on what we will find there, and how these findings will affect the American way of life.

In the face of these new "changes" we are now experiencing, our thoughts are further turned inward as we ask ourselves how we will fit into the new scheme of things. We wonder what part we will be expected to play—and then we realize that the part we play will be determined by our attitudes and preparation during these important

school years—we suddenly come face to face with the fact that we are making choices every day of our lives. We make a choice when we neglect to do what is required of us; we make it when we are proud of a job well done. Actually, we are making a sub-conscious choice between digging the earth for the foundation for the rocket and sitting at the control panel in the instrument room with a new horizon at our fingertips.

For me, my pattern is fairly well set. For you, the space age is a beacon calling your mind and talents to service. You still have time to make your choice—WHAT WILL IT BE?

STUDENTS FROM many classes
take field trips all through the year.

ORAL AND written reports are required every month in psychology, plus a book report on some subject pertaining to the course.

Social Studies

To understand his country's present times, a student must have a knowledge of the past—its trials and accomplishments. These, plus a general knowledge of the structure and principles of government are learned in the social studies courses.

Civics and geography are required in junior high, and American history is required in senior high. World history, physical geography, Florida history and psychology are offered in the senior high.

Being offered for the first time at Tate is a course in Americanism vs. Communism; whose aim is to enlighten students about the facts and goals of communists.

MRS. SPURLOCK is caught reviewing material for her next world history class.

SENIORS IN English IV realize that correct enunciation is a very important asset.

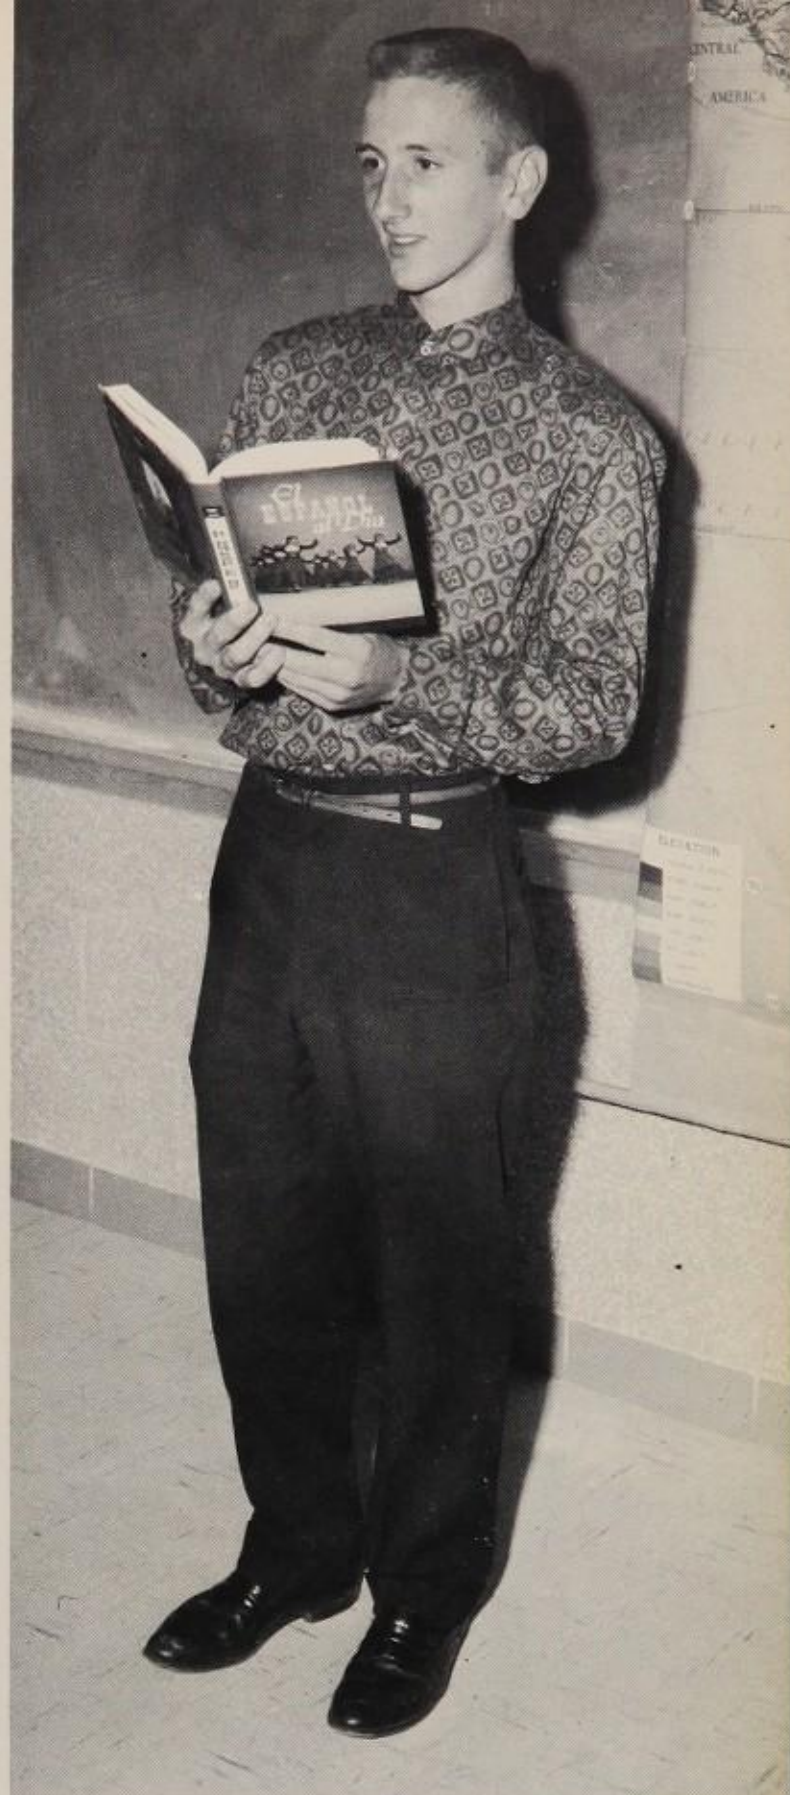

Language Arts

"Let us dare to think, read, speak and write." This famous quotation by John Adams contains three major points stressed in Language Arts. To be able to read with understanding, to speak intelligently, and to write legibly are some of man's most valuable assets. Without these, he can do nothing; with them, he can go ever forward.

Since the people of all the world are coming in closer contact with each other through increased travel opportunities and better methods of transportation, the study of Spanish and Latin as an aid in communication has become important.

SPANISH CLUB President Kenny Sanders has a limited command of the language and is giving an oral report in Spanish.

Science

More emphasis will be placed on Mathematics and Science in the next decade than has been placed on these subjects in the past quarter of a century; therefore, these college preparatory courses attract many students.

In Algebra I and II, literal numbers pertaining to specific problems are taught.

In plane geometry, students are faced with different type problems, and they attack them in a logical way.

Trigonometry is the study of triangles and the methods of measuring their sides and angles.

Through study in general science, human biology, biology, chemistry, and physics, the Science Department aims to develop students to see relationships between science as a field of study, and science in everyday life. These abilities are necessary to well adjusted citizens.

TAKING EXERCISES is one of the best ways to keep physically fit, and the physical education classes exercise regularly.

BOYS IN physical education play competitive sports to keep them in shape.

Physical Education

School life, like a diamond has many facets, and will not glow if one of its facets is unpolished. Physical education, a unique facet concerned with physical fitness, strives toward developing a healthy body in which to house the student's mind and emotions. Learning to maintain fitness for physical health, to express emotions for mental health, and to work and play with others for social health are the primary contributions of physical education to the facets which make school life shine brighter.

Vocational Education and Home Economics

The purpose of education in vocational agriculture is to train present and prospective farm boys for proficiency in farming.

The classes produce and market farm products; they practice farm management and soil conservation, and participate in rural leadership activities.

Students in homemaking classes are helped to develop values in relation to phases of homemaking such as: home management; child care; clothing selection and care; food selection for good health, and food preparation; selection of home and home furnishings; personal, social and family relationships; home care of the sick; and the improvement of home surroundings.

BOYS IN agriculture learn many aspects of being farmers.

LIBRARY HELPERS keep the library organized and are always ready to help students find just the right book.

The guidance department at Tate offers information concerning colleges and vocations. The guidance counselors are always ready to help you in making your choice.

The librarian has the responsibility of keeping the library running efficiently. The library is equipped with many new books and reference material.

The bookkeeper has the very responsible job of collecting, and recording, monies turned in each day. She keeps the books for the school accurate.

Art is offered in grades seven through twelve. Students work with different materials and processes while working as an artist would. Each individual is encouraged to develop his creative and artistic potential to its highest degree.

The Business Education courses offered at Tate are typing, shorthand, bookkeeping and business math. These courses provide a good background for any type clerical work after graduation. This department is preparing boys and girls for positions in the business world.

The training of careful, safe drivers that know the fundamental steps in driving is an objective of the drivers education program. The students are taught the rules of the road and having taken this course, they get a discount on their auto insurance.

The music department includes band and chorus. In band, you may learn to play any instrument of your choice. After three years of training, you may try out for the marching band.

Vocal music places emphasis on developing the students' ability to read and sing music. They attend district and state clinics and present concerts at school.

PENSACOLA HIGH

A fired up bunch of Aggie football players went to Tiger Stadium and lost a heartbreaker to the Tigers, 13 to 0. This was the opening game for the Aggies and for a while they had the Tigers wondering if they were still invincible to the Aggies. The game was fought on practically even terms, until a bad break sent it to the Tigers. Since the two teams have been playing each other Tate has never come out the victor, scorewise.

THOUGH THIS game was lost, the Aggies put up a good fight.

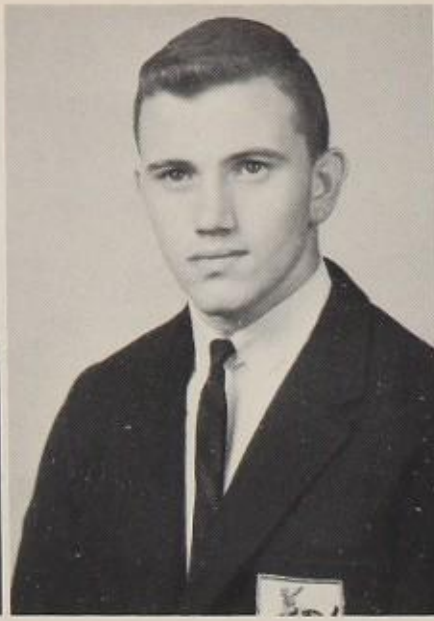

DAVIDSON HIGH

The following week Tate traveled to Mobile Davidson. There they fell victim to one of the most powerful teams Davidson has ever had. At the final gun the score was 27 to 7 in favor of Davidson. Late in the third quarter Richard Shore went around left end and scored the only Tate touchdown with a 69 yard run. Last year was the first time the two teams had faced each other. Then it was different as Tate won over them 13 to 7 in a hard fought bout.

THE 1962 TATE AGGIES

CRESTVIEW HIGH

It was then in the next game at Aggie Stadium that the Tate offense finally jelled. They rolled over Crestview 47 to 6. This was a night that all coaches dream about, for the Tate team could do nothing wrong. After the game the cheerleaders sponsored a dance, just the thing to boost the waning morale for the following engagement.

ESCAMBIA HIGH

Tate then went to Tiger Stadium to play rival Escambia. They won a moral victory by staying within 13 points of Tate. The final score was 13-0 in favor of Tate. The keyblocks were thrown by Rodney Blankenbeck, Wayne Luker, Roger Welch, and Eddie Halfacre, to spring Clifford Walraven loose for an 86 yard touchdown romp.

MARIANNA HIGH

Returning to Aggie Stadium, Tate's next opponent was the Marianna Bulldogs, whom they overran 14 to 7. This was one of the hardest rounds the Aggies had the whole year. It was their third win in a row.

CHOCTAWHATCHEE HIGH

Traveling to Shalimar, Tate was upended by the Indians 20 to 0. Due to a number of penalties on key plays the Aggies lost the game.

Football

DRAKE GOES over for six more points.

ANOTHER REBEL bites the turf as the Aggies move on!

BAY HIGH

Tate put on a fourth period rally against Bay in which Tate scored 21 points, but lost the game 25 to 21 as the rally fell short. The fourth quarter rally was one of the greatest ever witnessed in the stadium.

CATHOLIC HIGH

Playing Catholic in our Homecoming game, Tate rolled over the Crusaders by a 27-0 count. In the final game in Aggie Stadium the Aggies were still undefeated at home.

FLORIDA HIGH

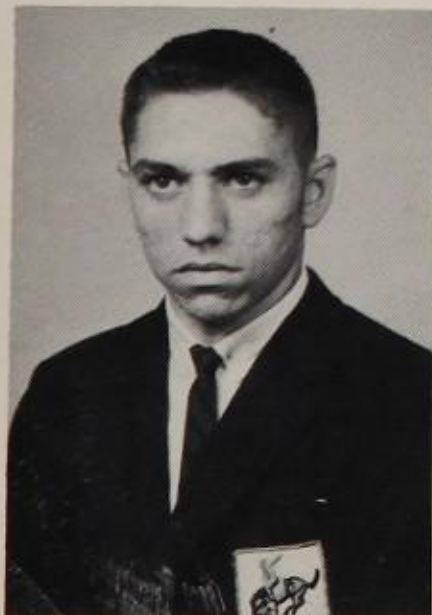

Finishing out the season, Tate travelled to Tallahassee and played a 7 to 7 tie with the Florida High Demons. A fine kicking game by the Demons kept the Aggies in the hole until an eighty yard run by Clifford Walraven tied the score.

Bobby Barnett, a 5' 11" senior, held down one of the guard positions for the Aggies. Bobby is a good ball handler and a very good shot about 17 feet from the basket.

Senior Eddie Halfacre also was a starting guard for the Aggies. He could also handle the ball well and gave a great deal of support to the Aggies scoring.

Clifford Walraven was used as a reserve guard during the 1962-63 basketball season. Clifford, who is a senior, is a versatile player.

Wallace Arnold, a junior, will have another year at Tate. Wallace is 6' 2" and was the team's leading scorer. He is a very accurate shooter and a good rebounder.

AGGIES' BOBBY Barnett gets the rebound this time.

Walter Gordon, a junior, was used a great deal at the guard position. He is one of the best ball handlers on the team and is also a good shot from around the keyhole.

Mike Henderson, a junior, will also be back at Tate for the 1963-64 season. Mike is tall and aggressive and has helped the 62-63 team a great deal.

Ronnie Henson played center for the Aggies. Ronnie's height helped him to become one of the team's leading rebounders. A tall junior, he also chipped in with many baskets during the season.

Jackie McCaskill was used as a forward for the Aggies. He will be back with the team next year.

Last Year's Tate Aggie's baseball team sported a sensational 19-3 record. Conquering all class A competition, the Aggies' only losses came at the hands of double A opponents. In their season's opening tilt, Tate's "diamond" team displayed power as they topped the Milton Panthers 7-0. This power plus tremendous pitching helped Tate's Aggies to victory after victory.

On May 11, Tate again defeated the Panthers to become eligible for the District Tournament.

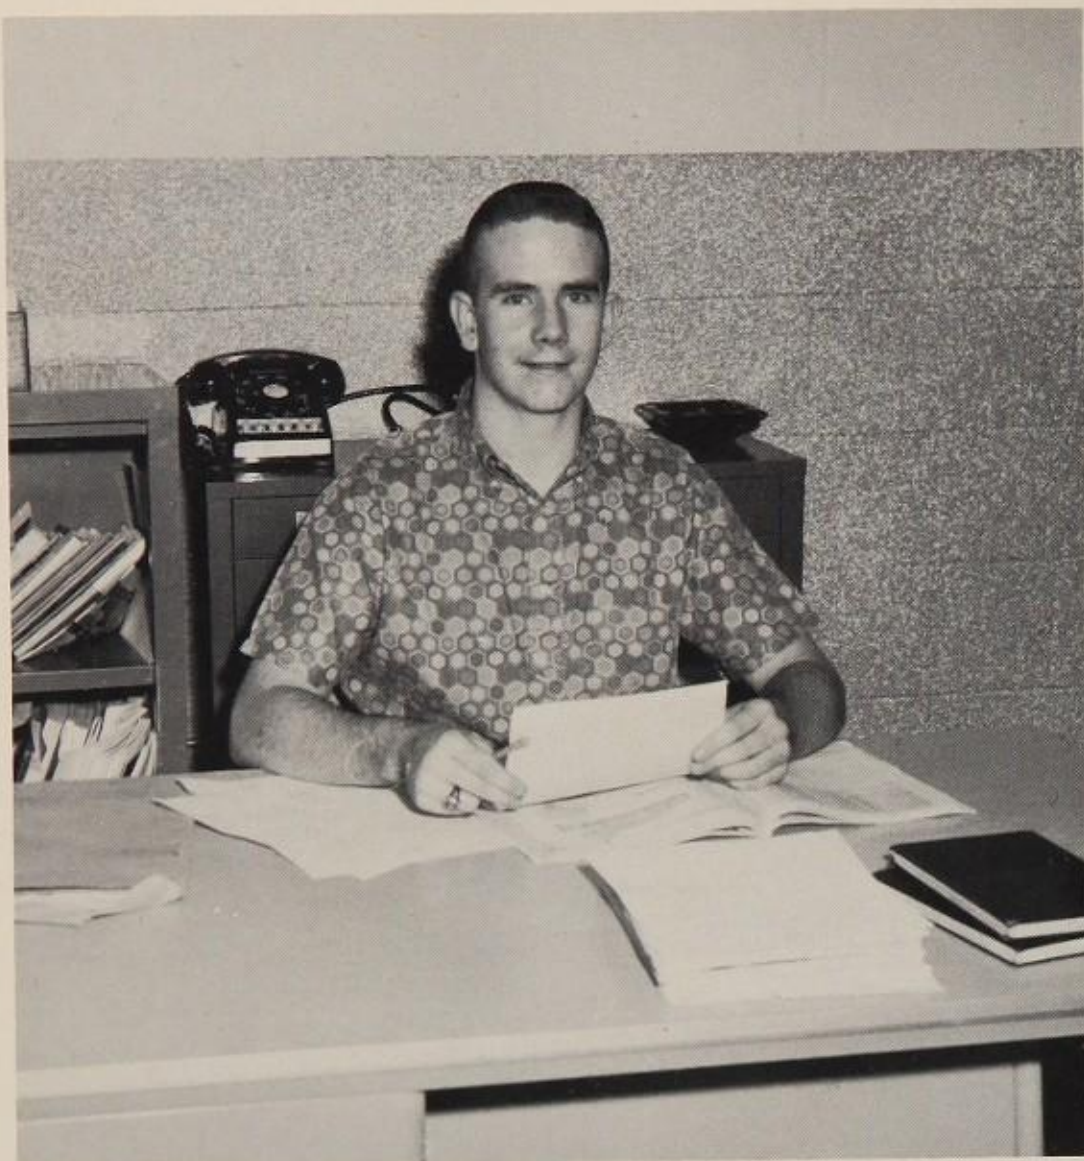

Tate posted a 1-0 shutout over Bonifay, then blasted Marianna 6-0 to gain a berth in the State Tournament.

Terry Parker of Jacksonville and Sebring fell before the Aggies as the championship game was in sight. Forest Hill had also advanced and was the only other Class A team that was undefeated. In a 13 inning thriller, Tate outscored Forest Hill, 3 to 1, to become the Class A Champions of Florida.

Serving as Editor of the '63 Tahisco has been an honor and a privilege.

To capture a complete picture of the 1962-63 school year the Tahisco staff has worked diligently. The year has been highlighted by ad sales, book sales, production deadlines, the Parade of Personalities, and, finally, by the arrival of the Tahiscos.

For the staff this has been an eventful and an enjoyable year. It is our hope that this book will bring you much pleasure now and in the years to come.

THE TAHISCO staff is rushing to meet the final deadline.

The "Crimson and Grey" staff for 1962-63 under the guidance of their advisor, Miss Nell Smith, has worked hard to give Tate High a new perspective in the field of journalism.

While turning out the monthly periodicals full of news, features, and sports, the staff acquires experience in teamwork as it publishes a paper which has kept the student body and faculty well informed about school activities.

The paper staff seeks to improve the newspaper using methods learned at conventions and by entering the paper in critical observations.

Band Officers

The Tate High Marching-Concert Band consists of one hundred and one members this year. They have done an exceptionally fine job during football season, at games, rallies, and parades. For the first time, the band was host for the Sightreading Clinic in which thirteen bands in this area participated. Band members participated in the District Music Festival during the spring with high hopes of going to the State Music Festival.

The band is under the very capable direction of Miss Joyce Sidorfsky.

Tradition Reigns During Homecoming Week

Mary Ann Fillingim is crowned 1962 Homecoming Queen by 1961 Homecoming Queen, Emily Corner.

The climax of fall events was Homecoming, one of the busiest weeks of the year. Our campus assumed a festive atmosphere as the decorations went up for the big event. Color Day, Senior Day and a pep assembly set the stage for the election of the Homecoming Queen and class representatives. Homecoming Week ended with a game against Catholic High School. Aggie Stadium was filled with spectators anxiously awaiting the announcement of the 1962 Homecoming Queen and the big game. Don Sutton announced the election results and the 1961 Homecoming Queen, Emily Corner, crowned Miss Mary Ann Fillingim the 1962 Homecoming Queen. The music of the Aggie Band and cheers of the crowd led by the cheerleaders helped create the spirit of victory.

Varsity Club Selects Football Queen

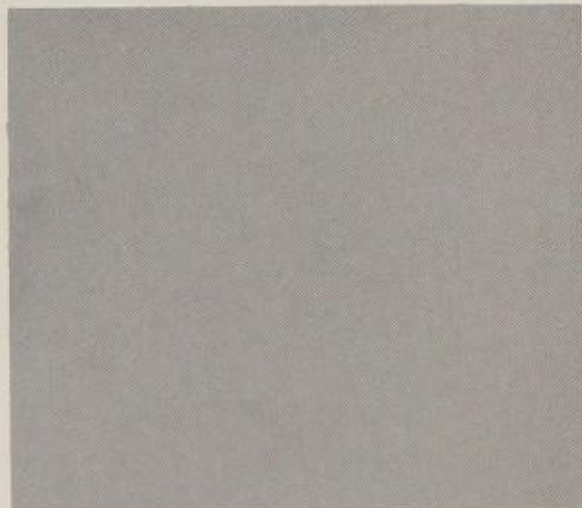

One week during the latter part of the football season, the Varsity Club held a meeting to elect a Football Queen. The club's decision for this honor was conferred upon Carol Moore.

Carol has been a cheerleader for the past three years and has been a Sweet-heart candidate for the past two years.

The Varsity Club consists of boys who have lettered one or more years in any sport. The aim of the club is to get more people interested in the athletic program.

Tate High Beauties Enter Junior Miss Pageant

A TATE High senior, Judy Adcock, was chosen as Pensacola's Junior Miss.

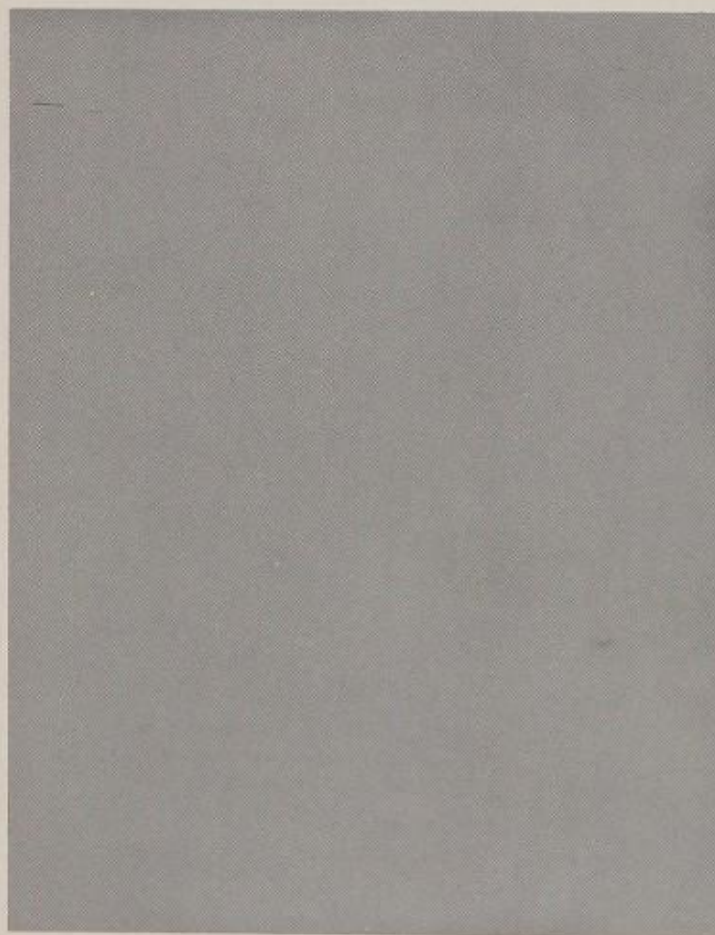

As the end of the first semester approached three young ladies were selected as Tate High's Junior Miss Representatives. They were Judy Kay Adcock, Mary Elaine Land, and Linda Sue Moore. All of these went to the city pageant held at the Pensacola Little Theater on Friday night, January 18, to compete with others from local schools. They were judged on personality, talent, and appearance in sports wear and evening wear. The climax of the evening was the selection of Judy Kay Adcock as Pensacola's Junior Miss, which is an honor to Tate High School.

ELAINE LAND presented a monologue, "The Flute and I", to the judges at Pensacola's Junior Miss Contest.

Parade of Personalities Presents "A Night Out"

There was excitement in the air, February 1, as the Tahisco Staff presented the fourth annual "Parade of Personalities". The theme given to the program was "A Night Out" with a setting of an elegant night club "The Exclusive".

Besides the introduction of the Senior Misses and escorts, the Senior Personalities and the class favorites were revealed to the audience.

Proving their abilities, Senior Personalities Sylvia Mitchell, Linda Sue Moore, Elaine Land, Pat Shehan, Sharlene Welch and Senior Miss Linda Oswald displayed musical talent in singing and instrumental music. Other talents included were skating, pantomimes, fire baton twirling, and a "Twist Craze" that proved hilarious.

Under the sponsorship of Mrs. Myrtle Stevens and directorship of Brenda Lightsey and Sharon Orr, the night proved to be versatile and a delightful evening of surprises.

SYLVIA MITCHELL entertains by singing "Summertime."

THE IVYS, Morris Bass, Dalton Jones, and Donnie Rhodes, sing "Kiddo."

ENTERTAINING FOR the Parade of Personalities, Pat Shehan and LaVaughn Congleton display their own talent as well as accompanying other performers.

PUTTING THE audience in an enchanting mood, Steve Hernandez and Junior Nowlin played "Cherry Pink and Apple Blossom White."

THE VALENTINE Sweetheart candidates anxiously await the announcement of the Valentine Sweetheart.

Valentine Sweetheart Candidates Selected

A few weeks before Valentine Day, the clubs at Tate selected a girl as Valentine Sweetheart Representative. These girls, along with their escorts, were the center of attraction at the annual Valentine Sweetheart Ball, sponsored by the Senior High Beta Club.

The following girls were selected as Sweetheart Representatives: Carol Moore, Goldie Parker, Helen Payne, Carolyn Cobb, Sue Mc-

Kenzie, Betty Martin, Sherry Crane, Elaine Timothy, Kathi Gore, Judy Hart, Paula Reichman, Mary Ann Fillingim, Linda Moore, Sandra Talley, Cuba Griffin, Cheryl Yoder, Linda Merriman, Pattie Nagtalon, Paula Massey.

From the candidates, a name was drawn and the lucky girl reigned as Sweetheart Queen.

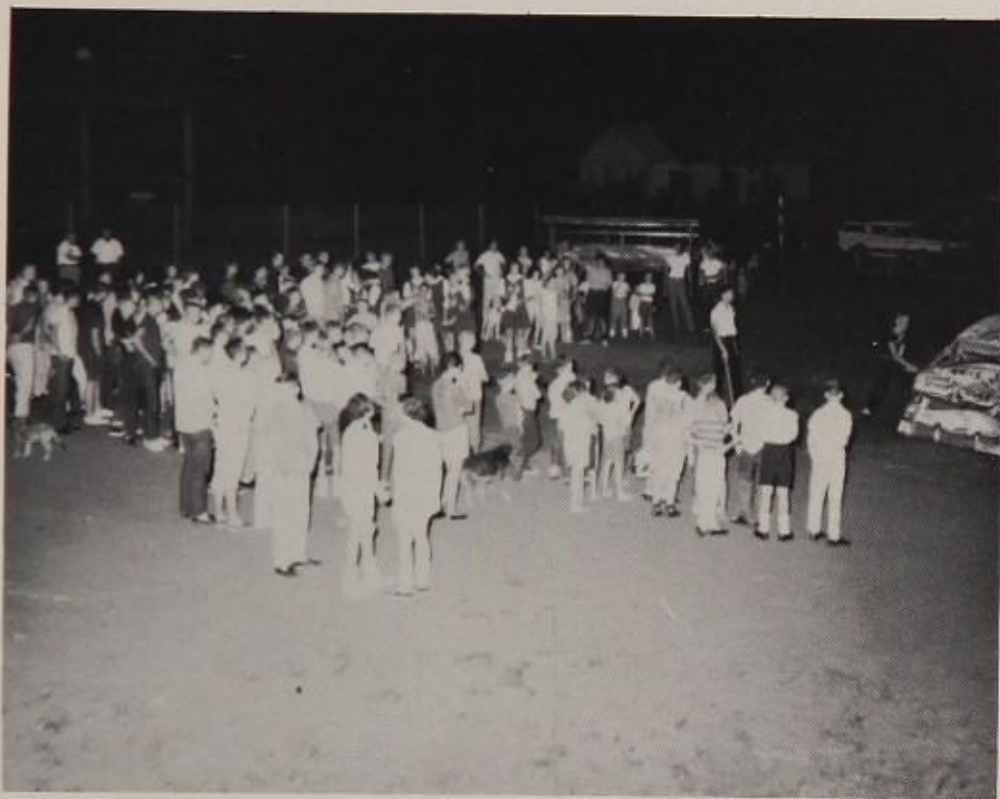

Fall Activities Prove

Exciting

Fall activities happened in a big way as Clifford Newton and Elva Hart were selected as Mr. and Miss Friendly during the first dance of the season.

To arouse school spirit for the coming football season, the cheerleaders sponsored a "Car Smash" on Thursday, September 13, before the first Football game of the season.

"SMASH NIGHT" really started the football season off right.

CHRISTMAS DECORATIONS reflect the spirit of Christmas.

CLIFFORD NEWTON and Elva Hart were chosen Mr. and Miss Friendly at the Get Acquainted Dance.

Christmas Season Arrives

Christmas Spirit is displayed as halls, doorways and bulletin boards are brightly decorated for the holiday season.

The Student Council sponsored a canned food drive for the needy in which Tate students participated eagerly.

Exchange Club Honors Seniors

Each month two deserving Seniors are selected as the Boy and Girl of the Month by the North Pensacola Exchange Club. Their selection is based on outstanding scholarship, citizenship, and leadership. Each boy and each girl receives a certificate from the Exchange Club.

Students Show Appreciation For Teachers

THE FACULTY enjoyed cake and coffee served by the Beta Club

Teacher Appreciation Week, sponsored by the Beta Club was one of the most eventful weeks of the year. The activities included an assembly in which the heads of the different departments were recognized and presented a small gift symbolizing their field of work. Other acts of appreciation were big, shiny red apples for the teachers from the Junior High Beta Club and a gift from each teacher's homeroom or the Beta Club. To conclude this glorious week the faculty and administration were honored at a tea presented by the members of the Senior High Beta Club.

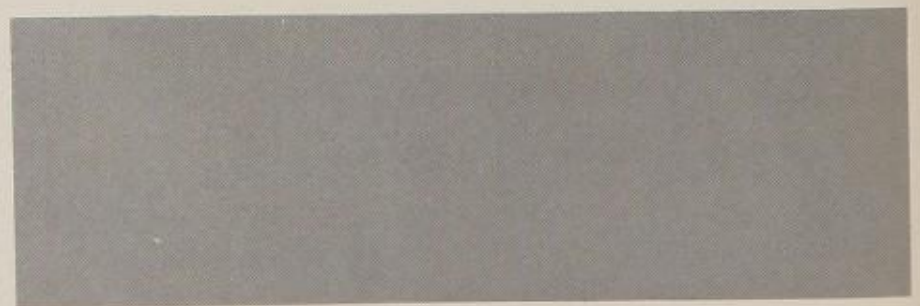

PERSONALITIES

Senior Personalities

Ballots sent to each senior home room one week during football season enabled the members of the senior class to choose one boy and one girl who best embodied the qualifications of the various personalities. After an anxious period of waiting, seniors who received the honors were secretly notified so that their identity would be unknown to the student body until they appeared in the "Parade of Personalities" in February.

Mary Ann Fillingim

Luther Golden

Mr. and Miss Tate High

Luther Golden Mary Ann Fillingim

Participation in many activities throughout their years at Tate made Mary Ann and Luther the logical choice for Mr. and Miss Tate High.

Mary Ann has been a cheerleader for three years and was elected 1962-63 Homecoming Queen by the student body. She is presently serving as treasurer of the Student Council, secretary of the Future Teachers of America, and business manager of the Tahisco Staff.

"Boy of the Month" for the month of October, Luther serves as president of the Tate Exchange Club, plays varsity football, is assistant sports editor of the school newspaper, and a member of the Beta Club.

Linda Moore

Elmer Welch

Most Intellectual

Having maintained high scholastic averages throughout high school, Linda and Elmer are certainly deserving of the honor, "Most Intellectual". Linda was awarded the Exchange Club's, "Girl of the Month" award for October. She also served as president of the Beta Club. Elmer's activities included the Senior Science Club and the Beta Club. Also, Elmer received the Optimist Club Scholarship to Pensacola Junior College.

Most Likely To Succeed

Sharlene and Don are considered "Most Likely to Succeed". Sharlene serves as secretary of the Beta Club and Don, this year, has presided over the Student Council, which is the student governing body. Other than holding the office of treasurer in the Beta Club, he has been selected Exchange Club "Boy of the Month" for September and was a member of the Varsity Club as a sophomore. Sharlene was class secretary this year.

Sharlene Welch

Don Sutton

Emily Corner

Jon York

Most Attractive

Jon and Emily were selected "Most Attractive" by the seniors. Gracefully reigning as 1961-62 Homecoming Queen, Emily won great approval. Jon is a member of the Tate marching, dance, and concert bands. He also served as Freshman class secretary. Emily is a member of the Red Cross and was the secretary of that organization last year.

Best Dressed

Bobby Barnett

Helen Payne

The title of "Best Dressed" was awarded to Helen and Bobby for their neat appearance. A member of the Future Teachers and cheering last year with the Tate cheerleaders, Helen is a much occupied senior. Highlighting her senior year by serving as "feature editor" of the journalism staff, Helen has also attended Junior Achievement for three years.

Bobby plays basketball and baseball. He was class president during his freshman year at Tate.

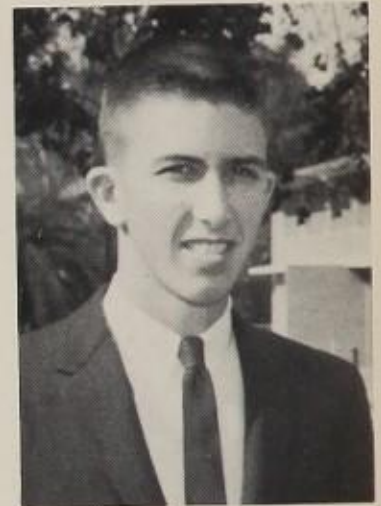

Friendliest

Because of their ready smiles and hellos, Sandra and Skippy were voted "Friendliest" in the senior class. Cheering for the Aggies and acting as secretary of the student body, Sandra is well known by many people. She is also on the school paper staff.

Skippy is very active in 4-H Club work and is presently serving as vice-president of the Boy's State Council. As a member of the Tahisco Staff Skippy was sports editor last year and is this year assisting with photography. He also won first place in a Leadership contest sponsored by the Elks Club.

Sandra Talley

Skippy Lambert

Wittiest

Carol and Ray are "Wittiest" in the eyes of the seniors of Tate High School. Carol has been a cheerleader for three years at Tate. Carol was sophomore homecoming attendant and was in the Flowerbells for two years.

Ray played tackle on our football team, he has been a member of the Varsity Club for four years, and is the current president of his Junior Achievement Company.

Ray Jenks

Carol Moore

Eddie Halfacre

Betty Martin

Most Athletic

Arousing the spirits and exciting football fans are not the only activities in which, "Most Athletic" Betty and Eddie engage. Betty is captain of the cheerleaders this year and is an active member in the Future Teachers, Future Business Leaders, and Flowerbells.

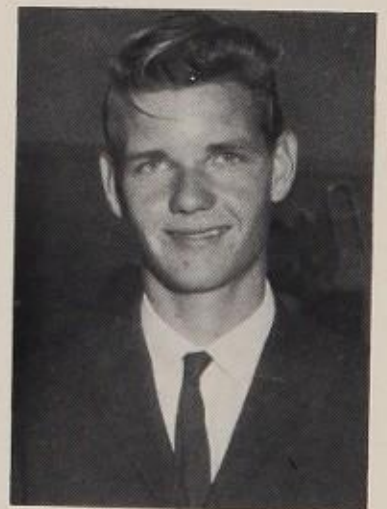

Eddie participates in football, basketball, and baseball at varsity level and was chosen "Outstanding Junior Basketball Player". He also played on the West Florida Conference Champion team and was class vice president as a freshman.

Most Talented

Elaine Land

Pat Shehan

"Most Talented", Elaine and Pat are engaged in many musical activities. Serving as captain of the Tate Band and playing in the Pensacola Symphony Orchestra, Elaine is kept busy. Pat also has held offices in the band, and plays in the marching, concert, and jazz bands.

Other than receiving second place in the Elk's Club contest for leadership, Elaine has served as treasurer of the Future Teachers. Pat represented Tate at the Beacon in his junior and senior years at Tate.

Sylvia Mitchell

Bobby Mason

Best All Round

The title of "Best All Around" is well deserved by Sylvia and Bobby, who have many responsibilities in extra-curricular activities. Sylvia, a member of the Beta Club and assistant editor of the *Tahisco*, is serving as vice-president of the student body. She was selected as one of the representatives from Tate's Chorus to go to All State Chorus, which was held in Daytona Beach.

Aiding the team as president of the varsity club, Bobby plays football and baseball. He has served as freshman class favorite and junior class treasurer.

D. A. R. Award

Linda Sue Moore

Chosen by the faculty and the administration from a group nominated by the senior class, Linda received the Daughters of American Revolution award for outstanding citizenship.

Senior Misses

Senior Misses were selected by the faculty members who teach senior girls, on the basis of personality, poise, attractiveness, and scholastic ability.

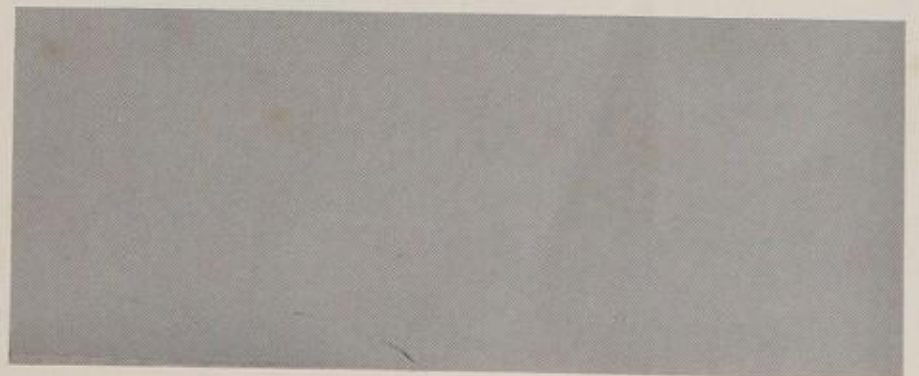

Ann is a member of the Beta Club, section editor of the Tahisco, and a member of the Student Council. She was in the Math Seminar during her junior year and was vice-president of the Sophomore Future Nurses Club.

Ann Hurd

Goldie Parker

This year Goldie served as one of our cheerleaders and was twelfth grade homecoming representative. She is a member of the Future Business Leaders of America and represented the freshman class in the Junior Miss Fiesta Parade.

Senior Misses

As president of the Senior Nurses Club, Laurie has shown leadership and ability to work. Laurie is also vice-president of the Science Club. She has been an active member of the Flowerbells for three years.

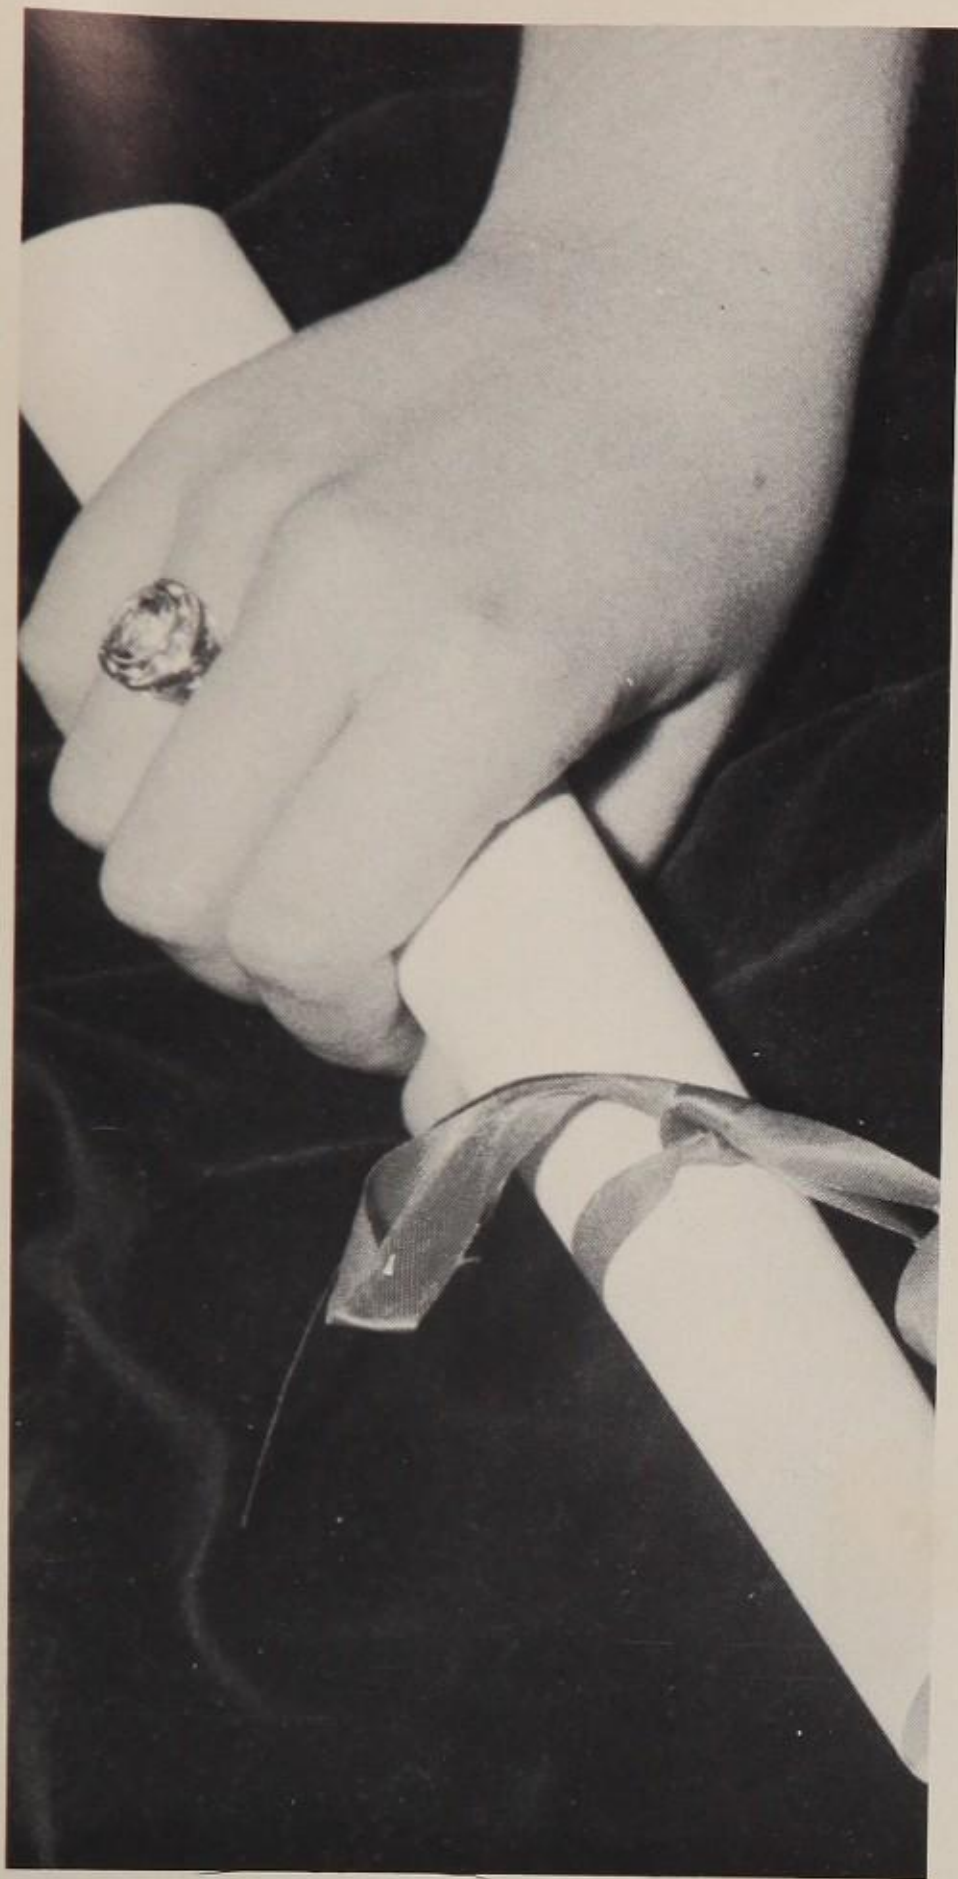

Linda Oswald

Laurie Jennings

Singing in the Tate Glee Club and in a sextet are among Linda's many activities. In her sophomore and junior years she was a member of the Student Council.

**Does
Your
Future
Lie in
Forestry?**

School forest instruction

In the expanding economy of the Southland, the forest is an ever-increasing factor. The demand for more and more trees is growing. To the youth of the South in search of a career, St. Regis Paper Company, a user of wood, commends an education as a forester, or any of the rewarding jobs found in the woods-using industries.
